Potentate

**Dear Nobles:** Once more we start the year with the same Divan that you have elected yearly for nine successive times.

We fully appreciate the high honor you have conferred upon us, and will give the best that is in us for the benefit of Aleppo.

We will appreciate any suggestions that will be for the advancement of our Temple, or that will improve our ceremonials, or make them more enjoyable.

The Shrine, with a membership of over 600,000 in North America, is a great factor for good; and we should be proud to wear the insignia of the Order.

The Shrine is known for its Hospitals and its Hospitality. The Hospitals are taken care of by our \$2 assessment levied by the Imperial Council. The Hospitality is up to each one of us. If you see a strange fez in our Temple, treat him as you would like to be treated if you were a visitor. Greet him; show him where the Zem Zem is. In fact, be a regular Shriner. Get pleasure by giving it.

We have a good name; let us add to it, so that anywhere the word Aleppo is used it will mean good fellowship.

Yours for Aleppo,

*Walter W. Morrison*

NOTE.—I wish to correct the impression that seems to exist—that it is impossible to get into Aleppo Temple Drum Corps. It is not even difficult for the right men. We have places now for B♭ Clarinet players. We can make places for two E♭ Alto Clarinet players and one Bass Clarinet player. The Shrine will furnish instruments and instructions for the three latter.

We could use six violin players to learn to play Banjo (by our system), instructions and instruments furnished. Application for place on other instruments may be made, and will be placed on a waiting list. Members on the waiting list are permitted to take part in the rehearsals, and substitute on engagements.

The opportunity to become an active member is up to you, and can be accomplished by your efficiency on your instrument, and reasonably consistent attendance at Monday night rehearsals. If you wish further information, telephone Congress 2069 for an appointment.
